The **Tigh Na Mara** Seaside Spa Resort is letting customers decide what to pay for a meal all this month at the Grotto Spa's Treetop Tapas and Grill.

"We feel strongly enough about what we're providing our customers, that we're willing to let them pay what they feel it's worth," says Dant Hirsch, the resort's general manager.

The offer is valid for guests who book into the Grotto Spa, whether for the day pass or a treatment. It applies to Treetop's Endless Tapas menu, which normally costs \$40.

The Endless Tapas concept is a new offering from the grill that allows diners to sample from its 29-item West Coast tapas menu consisting of such fare as prawns, salmon chicken, local cheeses and vegetables.

The promotion is valid every day at the Treetop grill, which is open Monday to Wednesday from noon to 4 and Thursday to Sunday from noon until 8 p.m.
